

### REMARKS

In response to the Restriction Requirement of October 5, 2004, Applicants hereby elect Claims 1-19, 35-54, 71 and 73 corresponding to Invention I, drawn to methods, systems and computer program products for requesting Wireless Telephony Application (WTA) protocol based actions. Applicants have canceled Claims 20-34, 55-70, 72 and 74 corresponding to Invention II, drawn to methods, systems and computer program products for requesting Wireless Telephony Application (WTA) protocol based actions. This cancellation is being made without prejudice to the filing of a divisional application for these claims and/or other claims.

Applicants are not traversing the restriction requirement because Applicants agree that unpatentability of Invention I would not necessarily imply unpatentability of Invention II.

In view of the above, Applicants respectfully request favorable examination and allowance of Claims 1-19, 35-54, 71 and 73.

Respectfully submitted,

Elizabeth A. Stanek
